Export Requirements for El Salvador

Eligible/Ineligible Products

A. Eligible Products

1. Cooked and pre-cooked meat and poultry products.*
2. Ruminant meat originating from Australia and New Zealand is eligible for export to El Salvador (see certification requirements below).
3. Beef meat products.*

B. Ineligible Products

1. Uncooked poultry and uncooked poultry products from the U.S. are not eligible for export to El Salvador because the disease certification requirements cannot be met.

Documentation Requirements

Certification Requirements

1. For all cooked and pre-cooked meat and poultry products. Obtain FSIS Form 9060-5, Meat and Poultry Export Certificate of Wholesomeness. The conditions of the cooking process (internal temperature and length of cooking time) must be typed in the "Remarks" section.*
2. For all meat and poultry products. Obtain FSIS Form 9060-5, and include the following statement in the "Remarks" section:*

"Based on the U.S. National Residue Program, the meat is free of harmful residues of antibiotics, heavy metals, pesticides, and hormones."

3. For all beef meat products. Obtain FSIS Form 9060-5, and include the following statement in the "Remarks" section:*

"The meat was derived from animals less than 30 months of age."

4. The certificate is to be visaed by a consul of El Salvador. For assistance in locating a consulate, contact:

Embassy of El Salvador
2308 California Street NW
Washington, D.C. 20008
(202) 265-9671

5. Signature on certificates - All required forms and supplementary statements must be signed by a veterinarian. Name and degree (DVM or equivalent) must be typed or printed after the signature.
6. For re-export of ruminant meat originating from Australia and New Zealand to El Salvador, the shipment must be accompanied by a copy of the official export certificate of Australia or New Zealand and an original FSIS 9060-5, Meat and Poultry Export Certificate of Wholesomeness. Exporters are responsible for obtaining a copy of the Australian or New Zealand certificate.

Plants Eligible to Export

All federally inspected establishments are eligible to export to El Salvador.
