Export Requirements for the Slovak Republic

Export Alert

Please be advised that the Slovak Republic will become a member of the European Union effective May 1, 2004. As of that date, the export requirements currently in place for the Slovak Republic will be replaced by those governing shipments to the EU. Therefore, effective May 1, 2004, all shipments of EU harmonized product to the Slovak Republic must comply with EU export requirements. These requirements are available in the EU section of this library of export requirements.*

Eligible/Ineligible Products

A. Eligible Products

Eligibility of fresh/frozen poultry and further processed red meat and poultry products has not been determined at this time.

B. Ineligible Products

Fresh/frozen beef and pork is not eligible for export because required additional certification statements cannot be made.
