PLACING E. COLI O157:H7 FSIS NOTICES WITH FSIS DIRECTIVE 10,010.1 ON THE WEB PAGE

In 2007, FSIS issued five FSIS notices concerning *E. coli* O157:H7 sampling and testing. These FSIS notices are still current. To make it easier for inspection program personnel to access these notices when they refer to FSIS Directive 10,010.1, Microbiological Testing Program for *Escherichia coli* O157:H7 in Raw Ground Beef Products and Raw Ground Beef Components and Beef Patty Components, FSIS has posted links to the notices under the directive on the FSIS homepage.
