## **UNDUE BURDEN DETERMINATION**

The Requiring Official must provide a written determination to the contracting officer for inclusion in the file. The determination must be approved in writing prior to award of the task or delivery order, purchase order or contract. Attach to your requisition. For each provision of 36 CFR Part 1194 that an agency finds to be an undue burden, the Requiring Official must explain below why, and to what extent, compliance with each such provision creates an undue burden. A thorough, rational explanation is required. The format may be expanded for additional space. Relevant attachments are encouraged. Explanations must be adequate to survive protests and litigation challenges.

The data and findings providing the basis for my decision are explained below:			
Describe products or services required to meet the A	gency's needs:		
2. Dollar value of the acquisition: (Including any options)	3. List applicable non-compliant Section 508 Standards (see 36 CFR Part 1194):		
4. What market research was performed to locate comm	nercial items that meet the applicable standards?		
THE UNDUE BURDEN (i.e., the significant difficulty or exmonetary expense is deemed prohibitive, explain the costs as a. Significant difficulty of compliance:	xpense the Government would incur in order to comply with a particular standard. If the and how they were estimated.)		
L Cimife and a manufacture in the control of the co			
b. Significant expense of compliance:			
c. Insufficient Agency resources available to the Agen (Describe all the available funds)	ncy's program or component for which the goods or service is being acquired:		
	t will allow the individuals with disabilities to use the information or data ime required in the whole process to implement the alternative means. This information must be process technical evaluation.)		

I have determined and hereby certify that procurement of the applicable E&IT product(s) required by my organization that are subject to Section 508 of the Rehabilitation Act of 1973, as Amended, in accordance with 36 CFR Part 1194 and the Federal Acquisition Regulation Subpart 39.2 (effective June 25, 2001), presents an "undue burden."
