## INSTRUCTIONS TO SUBMIT FSIS 1360-6

---

Once the form is completely filled out, save and attach your request to the Service Desk ticket you create in Footprints.

Systems that have Adobe Reader 7.0 or higher are able to use the below advanced features:

- To **save**, use the "Save As" function.
- To **add an attachment** click the "paper clip emblem" located on the left of the document, select the "add" icon on the attachment menu bar, navigate to your document and select the attachment. Click open.
