Remember to "Save As" or print a copy for your records before you submit your answers. Click the Submit Button: Then, select your e-mail client, and send the data file when prompted.

**Submit****Print**

Thank you for completing the N60 Sampling Update Quiz. Upon submission, CFL will receive your Pass/Fail results. (Do not Contact CFL.) If you pass the test, we will record the results in your Ag Learn account within two weeks.

You may re-take the test if you receive a failing score.

Printing the Certificate of Completion

You may print a copy of the Certificate of Completion for this course, after you have successfully passed the test and we have recorded the completion in Ag Learn.

- To print Certificate, log into Ag Learn
 - Access Ag Learn at www.aglearn.usda.gov
 - Click the Learner Login button located under the Learner Center heading in the left menu bar.
 - After reading the Security Warning page, click the continue button at the lower right.
 - Enter your Level 2 eAuthentication credentials. (Remember, your password is case-sensitive and must be entered exactly as it was established.)
 - Click the Login button.
 - Click on the word Learning from the top blue menu bar.
 - Then, click on Learning History from the submenu (gray text).
 - Next, locate the course in your learning history, (N60 Sampling Update Quiz) and then click the Print Completion Certificate button associated with the course for which you wish to print a certificate.
-
