## **Food Safety and Inspection Service - Medical Alert Card**

This employee, if injured or becomes ill during the performance of official duties, is entitled to medical, surgical and hospital services, and physical therapy for treatment of the injury, as well as transportation for obtaining care. These rights are covered under the Federal Employee Compensation Act, (5 U S Code 8101 et seq.) as administered by the Office of Worker's Compensation Programs (OWCP) of the U.S. Department of Labor. If the claim is denied by OWCP, the employee may use his/her personal health insurance to cover treatment services and costs. Please accept this card, along with the employee's work I.D., to enable the employee to access treatment.
