PREPARATION OF FSIS 8080-4
VOLUNTARY DESTRUCTION OF HUMAN FOOD NOTICE

When product is not detained (an immediate voluntary disposition is given), the program employee will check the "observed on" box.

The program employee enters the following information:

1. The owner's or custodian's name and address.
2. The product name, species, number of containers, weight, brand name, etc., and how the product was destroyed in the presence of the program employee.
- 2A. Indicate the weight (in pounds) of the product destroyed.
3. Date detained or observed.
4. Name and address of the firm where the detained product is located.
5. By whom it was detained, (program employee), his/her title and name.
6. Print name of owner, custodian or owner's agent, signature and title.
7. Signature of program employee, date and duty station.

The program employee can obtain the owner's or custodian's signature and provide the signer with a copy (the original is retained by the program employee), before the actual destruction, if an accurate accounting can be obtained. In instances where complete voluntary destruction is not performed due to large amounts, etc., a partial destruction can be recorded signed/dated on form. Completion date will be recorded by program employee when all the subject product is voluntarily destroyed. Additionally, when the product is actually destroyed, either that same day or later (within 20 days), if detained, the detention is terminated. The Notice of Termination of Detention, FSIS Form 8400-1, will be completed.

Note: The program employee will initial all strike-outs and changes. If additional space is needed, place an asterisk in the appropriate section followed by the statement "See attached sheet(s)."
