## GOLF MADE KING. KING MADE JERKY.

We believe gripping and ripping belongs on the course, not when you're eating a bag of jerky.

The world's best athletes know that compromising on taste and nutrition is not an option, and as a long-time professional caddie and right-hand man to some of them, Jeff King shares the sentiment.

While it wasn't Jeff's childhood dream to develop a great tasting jerky, when he and his players needed a snack to provide sustainable energy through a long day on the course, Jeff took matters into his own hands. Using only top-quality ingredients, he created his own jerky from his home kitchen in McKinney, Texas and refined it on the road. Soon no pro golf bag on tour was complete without his flavorful and tender jerky, and now, Kingmade® Jerky has become the Official Jerky of the PGA TOUR®.

Now, you too can crush bags of Kingmade® Jerky just like the pros. The premium, flavorful jerky that is jaw dropping, not jaw breaking! #CrushBags!
