EASY OPEN SEAL

Pre BEEF DONE DIFFERENTLY™

Bold, juicy burgers that thrill right off the grill.

You're looking at some seriously high-quality beef. Pre 85% lean/15% fat Burger Patties are 100% grass fed & finished with no added hormones and no sub-therapeutic antibiotics. They have **29g** of protein and **20%** of your recommended daily value of iron per serving. Not too fussy, and won't fall apart on a grill or cast iron skillet. Ready to experience the next level of beef? Four words: Our flavorful, unforgettable Ribeye.

Let's cook this:

For your safety, the USDA

recommends cooking ground beef to a minimum internal temperature of 160°F as measured by a food thermometer.

For a thinner patty: Flatten between your palms. Salt both sides before throwing on the grill or skillet.

Safe Handling Instructions

This product was prepared from inspected and passed meat and/or poultry. Some food products may contain bacteria that could cause illness if the product is mishandled or cooked improperly. For your protection, follow these safe handling instructions.

- Keep refrigerated or frozen. Thaw in refrigerator.
- Keep raw meat and poultry separate from other foods. Wash working surfaces (including cutting boards), utensils, and hands after handling raw meat or poultry.
- Cook thoroughly.
- Keep hot foods hot. Refrigerate leftovers immediately or discard.
