CUSTOMER: A signed proof is required for all artwork prepared by Berry Global (either faxed, mailed in, or as a digitally signed PDF). A signed, original hard copy proof is required for all new artwork with process images. Neither print plates, print scheduling, nor actual printing will begin until signed approval is received. Person signing below is fully responsible for and has unlimited authority to approve artwork and agrees that this art proof approval is binding on the customer. Verbal approvals are not accepted. All sales are subject to Berry Global's standard terms and conditions of sale of which customer acknowledges receipt.

Notes to Customer:

- Positive type is smaller than our recommended 6pt and may become difficult or impossible to read.
- Stayaways (.003" barriers between ink colors) have been added to this artwork. Stayaways prevent ink contamination between colors (most commonly used for white, yellow, and metallic ink). They should not be visible when printed.
- Light pink represents OPQ white ink.
- Contents may affect appearance of ink colors on finished product.

PLEASE NOTE

- Stayaways (barriers between ink colors) have been added to this artwork which prevents ink contamination between colors and will not be visible when printed.
- Items near the bottom and top of the print spec will experience slight distortion when printed. We refer to these areas as slur areas.
- The light Blue color shown in the design represents Opaque White ink.
- Copy has been reset. Please Proofread carefully.

Customer: Signed approval or a digitally signed pdf is required for all artwork prepared by Berry Plastics. Signed approval may be mailed in, faxed or e-mailed.
