From Our Family To Yours Since 1958®

Land O'Frost is a third generation, family-owned business, started by my grandfather, Antoon Van Eekeren, in 1958. Antoon was an immigrant from Holland, who came to the United States with dreams of success.

As a family business we consider you, our customer, part of our extended family. We support your local community with initiatives such as the Land O'Frost Youth Sports Program and a long-term partnership with JDRF, supporting research for the treatment, prevention and cure of type 1 diabetes.

We will continue to bring you a product that is based on the same beliefs & family values which started Land O'Frost years ago!

David Van Eekeren  
President and CEO, Land O'Frost
