This is an uncooked product. Cook to an internal temperature of 160°F and until juices are no longer red.

EXTRA VALUE® MEATS

QUICK SERVE EXTRA VALUE® BEEF PATTIES

The secret of the great taste of Extra Value® Beef Patties is to cook them straight from the freezer. The quick-freeze process seals in beef juices, then slowly releases them during cooking. And because you don't have to thaw our Extra Value® Beef Patties, they're always ready to cook and serve.

COOKING INSTRUCTIONS Cook patties from frozen state for best results.

Outdoor Grill: Preheat gas grill to 350° For when charcoal turns white. Cook frozen patty 6 to 9 minutes on one side or until the juices come to the surface. Turn and cook 4 to 6 minutes or until 160° internal temperature.

In The Frying Pan: Place frozen patty in pre-heated fry pan over medium-high heat and cook 5 minutes then turn and cook for 3 minutes or until 160°F internal temperature.

Under The Broiler: Cook frozen patty in pre-heated broiler for 8 minutes or until 160°F internal temperature.

INGREDIENTS: Beef, Beef Hearts, Water, Textured Vegetable Protein (Soy Flour, Soy Protein Concentrate), Seasoning (Salt, Maltodextrin, Sugar, Disodium Inosinate, Disodium Guanylate, Natural Flavors, Extractive of Turmeric).

If you have any questions or comments, please feel free to call Extra Value® Meats at 1-800-851-4684.
