Presentation Instructions:

Lift bowl to release rice & complete presentation. Enjoy!

For an authentic Japanese restaurant style presentation, please pour cooked bag contents into a small rice or soup bowl and firmly press down to pack. Place an inverted plate on top and flip over.

Carefully pour cooked bag contents into a container and enjoy.

Microwave Instructions (1,100 watts) (Preferred Method):

Cooking times may vary according to microwave wattage. For food safety & quality, please follow these cooking instructions.

Since bag and product will be HOT, carefully remove from microwave while avoiding steam & completely tear the bag along the perforation.

Place the bag into the microwave seam side up & cook on HIGH for approximately 3 MINUTES or thoroughly to 165°F.

Tear down corner of bag to vent before cooking.

* Since bag and product will be hot after cooking, please take extra caution when handling. For a bolder flavor, please add black pepper to your liking.

Discover why Ajinomoto is Japan's most recognized food brand

Over a century-long heritage and history of quality and innovation allows Ajinomoto North America to bring the essence of Ajinomoto's good taste to the USA. At a time when more and more Americans are discovering the pleasures of Japanese and other Asian cuisines, we're serving up an ever-wider selection of authentic ingredients as well as pre-prepared appetizers, snacks, and entrées that are as convenient as they are delicious. We invite you to explore our world of good taste.
