VIII. USDA NONDISCRIMINATION STATEMENT

A. All offices must post the nondiscrimination statement in a prominent place within the USDA office. The nondiscrimination statement, in full or in part, is a mandatory part of any material produced for public information, public education, or public distribution. The statement lists all the prohibited bases for discrimination contained in the USDA Civil Rights Policy Statement. The statement appears in English and other languages appropriate to the local population, and in alternative means of communication (Braille, large print, or audiotape).

1. The following is the full statement:

"The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, or marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).
