The objectives of FD-PREP are to:

- Increase awareness of protecting the food supply from intentional adulteration incidents and to respond effectively.
- Encourage establishments to develop a functional food defense plan.
- Ensure the development, maintenance, and testing of written recall procedures.
- Ensure that food defense and recall preparedness practices and mitigation activities are effective, documented, and understood.

FD-PREP is available at [www.fsis.usda.gov](http://www.fsis.usda.gov) and includes an online version and a PowerPoint version for download.

FD-PREP is compliant with the Homeland Security Exercise and Evaluation Program (HSEEP). This ensures conformance with established guidance in exercise program management, design, evaluation, and improved planning. HSEEP guidance and exercises may qualify for Federal or State grant funding.
