

Job Aid – Regulatory References for FSIS Forms 5400-11 & 5400-12

FSIS Form 5400-11: Daily Report of Egg Drying Operations

Entry #	Regulation	Regulatory Content
1	590.504	General operating procedures
2	590.548 590.504(k)	Drying, blending, packaging, and heat treatment rooms and facilities General operation procedures
3	590.540(c,d,e)	Spray drying facilities
4	590.560	Health and hygiene of personnel
5	590.542 590.548	Spray process drying operations Drying, blending, packaging, and heat treatment rooms and facilities
6	590.522(y)	Breaking room operations
7	590.548 590.411	Drying, blending, packaging, and heat treatment rooms and facilities Requirements of formulas and approval of labels for use in official egg products plants
8	590.542(f)	Spray process drying operations
9	590.544	Spray process powder
10	590.552	Cleaning and sanitary requirements
11	590.542	Spray process drying operations
12	590.500	Plant requirements – sanitary, processing, facilities
13	590.504	General operating procedures
14	590.548(c)	Drying, blending, packaging, and heat treatment rooms and facilities
17 – 20	590.530	Liquid egg cooling – Table #1 temperature requirements
21	590.504(p)	General operating procedures
22	590.504(a,g,i)	General operating procedures
23	590.504(h)	General operating procedures
24	590.435(d)	Wholesomeness and approval of materials
25	590.500	Plant requirements – sanitary, processing, facilities
26	590.500	Plant requirements – sanitary, processing, facilities
27	590.500	Plant requirements – sanitary, processing, facilities
28	590.500	Plant requirements – sanitary, processing, facilities
29 – 37	590.540 – 590.542	Including the EPIH

FSIS Form 5400-12: Daily Report of Plant Operations

Entry #	Regulation	Regulatory Content
1	590.552	Cleaning and sanitary requirements
2	590.552	Cleaning and sanitary requirements
3	590.506(h) 590.515(a)(1)	Candling and transfer-room facilities & equipment Egg cleaning operations
4	590.500	Plant requirements – sanitary, processing, facilities
5	590.500	Plant requirements – sanitary, processing, facilities
6	590.500	Plant requirements – sanitary, processing, facilities
7	590.500	Plant requirements – sanitary, processing, facilities
8	590.552	Cleaning and sanitary requirements
9a	590.504(p)	General operating procedures
9b	590.504	General operating procedures
10	590.504(a,g,j)	General operating procedures
11	590.504(h)	General operating procedures
12	590.504(h)	General operating procedures
13	590.435(d)	Wholesomeness and approval of materials
14	590.534 590.536	Freezing facilities Freezing operations
15	590.500(l)(1)	Plant requirements – sanitary, processing, facilities
16	590.500(j)	Plant requirements – sanitary, processing, facilities
17	590.500(j)	Plant requirements – sanitary, processing, facilities
18	590.500(k)	Plant requirements – sanitary, processing, facilities
19	590.580	Laboratory tests and analyses
20	590.411	Requirements of formulas and approval of labels for use in official egg products plants
21	590.522(f) 590.522(aa)(2)	Breaking room operations
22	590.560	Health and hygiene of personnel
23	590.522(aa)	Breaking room operations
24	590.522(f)	Breaking room operations
25	590.522(aa)(1)	Breaking room operations
26	590.510	All sections – Classifications of shell eggs used in the processing of egg products
27	590.504(c)	General operating procedures
28	590.570(c)	Pasteurization of liquid eggs
29	590.548	Drying, blending, packaging, and heat treatment rooms and facilities
30	590.548	Drying, blending, packaging, and heat treatment rooms and facilities
31	590.411	Requirements of formulas and approval of labels for use in official egg products plants

32	590.548(b)(5)	Drying, blending, packaging, and heat treatment rooms and facilities
33	590.520(d)(1) 590.548(b)(1)	Breaking room facilities Drying, blending, packaging, and heat treatment rooms and facilities
34	590.500(e,j,k)	Plant requirements
35	590.504(n)	General operating procedures
36	590.522	Breaking room operations
37	590.522(v)	Breaking room operations
38	590.506 590.508 590.515	Candling and transfer-room facilities & equipment Candling and transfer-room operations Egg cleaning operations
39	590.516	Sanitizing and drying of shell eggs prior to breaking
40	590.515(a)(2)	Egg cleaning operations
41	590.504(h)	General operating procedures
42	590.411(d)	Requirements of formulas and approval of labels for use in official egg products plants
	FDA-Part 160 – subpart B	
Temperature Requirements:		
	590.530	Liquid egg cooling – Table #1 temperature requirements
Freezer:		
	590.534	Freezing facilities
	590.535	Freezing operations
