**Letterhead Certificate for the Export of Sheep and Goat Meat, Meat Byproduct
and Meat Food Products to Belize**

Date Issued: _____ Certificate Number: _____

1. The meat is derived from animals less than 12 months of age when slaughtered.
2. The meat, meat by-product or meat food product is derived from animals slaughtered in an FSIS-inspected establishment that either slaughters only ovine and caprine species or operates in compliance with a segregation program approved by the Administrator as adequate to prevent contamination or commingling of the meat with products not eligible for export to Belize.
3. The ovine and caprine meat and meat products were subject to testing in accordance with the U.S. National Residue Program.
4. The ovine and caprine meat and products were produced under mandatory HACCP regulations and were found to be in full compliance.

Signature of FSIS Inspection Official: _____
