**FSIS Letterhead Certificate for Export of Poultry or Poultry Products to Canada**

Date Issued: \_\_\_\_\_ Certificate Number: \_\_\_\_\_

I, the undersigned, salaried veterinarian of the United States Department of Agriculture (USDA) , after due inquiry and to the best of my knowledge, do hereby certify that the poultry or bird products/by-products within the certificate number \_\_\_\_\_ are exported from the United States, and did not originate in a current CFIA recognized quarantine control zone established due to the detection of highly pathogenic avian influenza (HPAI) or virulent Newcastle disease (vND), as these diseases are defined by the World Organization for Animal Health (OIE)."

OR

The meat products of poultry has been processed in a manner sufficient to inactivate highly pathogenic avian influenza and virulent Newcastle disease viruses in accordance with the recommendations of the OIE Terrestrial Animal Health Code.
