RE: FOIA 2017-00274

Dear Ms. Jones:

This constitutes the U.S. Department of Agriculture's (USDA) Food Safety and Inspection Service (FSIS) final response to your Freedom of Information Act (FOIA) request, dated July 5, 2017, to the United States Department of Agriculture's (USDA) Food Safety and Inspection Service (FSIS). You requested a copy of records regarding Good Commercial Practices (GCP) related to poultry slaughter, during the months of April, May, and June 2017. We received your request in our Office on July 6, 2017.

The FSIS FOIA staff works with subject matter experts the Agency to locate responsive documents. For this request, we conducted a records search in the Office of Data Integration and Food Protection and the Office of Field Operations. FSIS' search began on July 10, 2017. Our search includes responsive records in FSIS' control on that date.

We have located 150 pages responsive to your request. After a thorough review, we have determined that portions of these pages, fall within the exemptions to the FOIA's mandatory disclosure requirements, as explained below. In particular, we have determined that portions of these documents are exempt from disclosure under (b)(4) & (b)(6) of FOIA, 5 U.S.C. § 552, as amended. Accordingly, this portion of your request is granted in part.

Some responsive records constitute confidential commercial or financial information, which is exempt from disclosure under FOIA Exemption 4, 5 U.S.C. § 552(b)(4). Disclosure of this information may cause substantial competitive harm to the person from which this information was obtained. Further, disclosure of this information would impair the government's ability to obtain necessary information in the future.

Portions of the responsive records are exempt from disclosure under FOIA Exemption 6, 5 U.S.C. § 552(b)(6). Exemption 6 protects information that would constitute an unwarranted invasion of an individual's personal privacy. The types of information withheld under Exemption 6 include the names, addresses, or cell phone numbers of employees of Establishments and third parties, including, but not limited to interviewees or customers.

You may appeal this determination within 90 days from the date of his letter. Your appeal should include copies of your original request and this response, as well as a discussion of the reasons supporting your appeal. The envelope should be plainly marked to indicate that it contains a FOIA appeal. If you decide to appeal this determination, please send your appeal to:
