RE: 2020-FSIS-00004-F
*Humane Treatment-Poultry
Task Records*

Dear Ms. Thompson:

This is the final response to your Freedom of Information Act (FOIA) request dated October 1, 2019, to the Department of Agriculture's Food Safety and Inspection Service (FSIS), in which you requested access to a copy of inspection task records related to humane treatment of poultry, from July 1, 2019 to September 30, 2019. We received your request in our office on October 1, 2019.

The FSIS FOIA staff works with subject matter experts across the agency to locate responsive documents. For this request, we conducted a records search in the Office of PARM. FSIS' search began on October 1, 2019. Our search includes responsive records in FSIS' control on that date.

We have located 140 pages and one excel spreadsheet that are responsive to your request. After a thorough review, we have determined that portions of these documents are exempt from disclosure under (b)(4) and (b)(6) of the FOIA, 5 U.S.C. § 552, as amended. Accordingly, this request is granted in part.

Exemption 4 of the FOIA protects "trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential." 5 U.S.C. § 552(b)(4). The exemption covers two distinct categories of information in federal agency records, (1) trade secrets, and (2) information that is (a) commercial or financial, and (b) obtained from a person, and (c) privileged or confidential. In this instance, the agency is withholding line speeds. The information was submitted to USDA by various establishments. We have determined that these records contain commercial or financial information that is customarily treated as private by the business submitters. Therefore, the information is considered confidential.

Portions of the responsive records are exempt from disclosure under FOIA Exemption 6, 5 U.S.C. § 552(b)(6). Exemption 6 protects information that would constitute an unwarranted invasion of an individual's personal privacy. The types of information withheld under Exemption 6 include the names, addresses, or cell phone numbers of

employees of Establishments and third parties, including, but not limited to interviewees or customers.

You may appeal this determination within 90 days from the date of this letter. Your appeal should include copies of your original request and this response, as well as a discussion of the reasons supporting your appeal. The envelope should be plainly marked to indicate that it contains a FOIA appeal. If you decide to appeal this determination, please send your appeal to:
