The People's Republic of China - Eligible Plants Certified to Export Meat and Poultry to the United Sta
August 26, 2021

Updated items marked with an asterisk (*)

Eligible Plants Certified to Export Poultry Only to the United States
These establishments are eligible to export processed (heat-treated/cooked) poultry products to the United States, provided raw poultry is sourced from countries that have been determined by FSIS to have an equivalent poultry slaughter inspection system or were slaughtered in the People's Republic of China on or after December 8, 2019.
