¹ Routine reinspection includes the Certification and Label Verification Types of Inspection (TOIs) as well as verification of product condition and identification of shipping damage.

² Type of Inspection (TOI); This column is a subset of the total product presented and identifies the amount of product subjected to more in depth physical and/or laboratory TOIs in addition to the routine reinspection TOIs (Certification and Label Verification).

³ Total product refused entry. The importer of record has options including destruction, re-export if allowed, conversion to animal food with Food and Drug Administration approval, or rectification (see footnote 4).

⁴ Initially refused entry, but subsequently brought into compliance and accepted. Issues amenable to rectification include labeling and certification, among others.

⁵ Total Accepted includes all product that was initially inspected and passed plus product that was initially refused entry but later rectified.

JERKY DUDES, INC. STRATFORD, OK	07/29/21			12/01/21	On October 19, 2021, the USDA Administrative Law Judge issued a Default Decision and Order Without Hearing by Reason of Default that indefinitely continued the July 22, 2021, suspension of inspection services for harassment, intimidation, and interference with FSIS personnel. The ALJ found the establishment's president had violated the FMIA and a Consent Decision and Order entered between the parties on August 28, 2019. The Default Decision and Order became final and effective on December 1, 2021, when Respondents failed to timely appeal the decision. Subsequently, on December 8, 2021, effective December 10, 2021, FSIS summarily withdrew the conditional grant of Federal inspection from the establishment based on the violations of the FMIA and the Consent Decision.
