

### Part III. Notes for completion of GBHC441\_COMP T/S

These notes for completion must be read and understood by the certifying officer before signing the certificate. Notes are set out in sections that correspond to the sections in the certificate. By signing this certificate, certifiers are verifying that the consignment meets the requirements set out in the certificate and any relevant corresponding notes for completion.

These notes do not need to be printed as part of a paper certificate that accompanies the consignment or in any electronic copy of the certificate.

References to European Union legislation within this certificate are references to direct EU legislation which has been retained in Great Britain (retained EU law as defined in the European Union (Withdrawal) Act 2018) and can be viewed on the UK legislation website ([legislation.gov.uk](http://legislation.gov.uk)).

References to Great Britain in this certificate include Channel Islands and Isle of Man.

References to GB requirements refer to the requirement(s) of Great Britain as set out in the accompanying notes for completion.

(\*) Keep as appropriate – This means that the nonapplicable language preceded by (\*) should have one single strikethrough (Please note this is not an 'error' and therefore the export mark, official veterinarian's initials and date should not be added to those strikethroughs).
