Welcome to the Public Health Information System. In this demonstration, you will learn how to submit an enrollment request. The enrollment request process involves two steps: registration at eAuth, and enrollment in the PHIS system.

I'll guide you through the steps of accomplishing this task.

Use a web browser to load the page, eauth.usda.gov.
Click on, Create an Account.

Select, Register for a Level Two Account.
Read the introduction and scroll down to the User Information form.

Fill out the registration form completely and accurately and submit it when you're finished.

Sign out of eAuth before moving on to the next steps in the enrollment process.
After successfully completing the eAuth registration, you will receive an email message with instructions on verifying your identity.

After that, use a web browser to load the page, phis.fsis.usda.gov/enrollment

This is the login page at https://phis.fsis.usda.gov/enrollment/

WARNING
Upon Login You Agree to the Following Information:

- You are accessing a U.S. Government information system, which includes (1) this computer, (2) the computer network, (3) all computers connected to this network, and (4) all devices and storage media attached to this network or in a computer on this network.
- This information system is provided for U.S. Government authorized use only.
- Unauthorized or improper use of this system may result in disciplinary action, as well as civil and criminal penalties.
- By using this information system, you understand and consent to the following:
  1. You have no reasonable expectation of privacy regarding any communications or

Enter the log-in credentials that you established in eAuth. Then click Register.

Click, Submit Enrollment Request, then fill out the enrollment form on the subsequent screen.

This is the end of this exercise. You will now be returned to the introductory screen. Thanks for your interest in the Public Health Information System.
