Type of packaging
- II.a Certificate No. from block I.2
- II.b Leave blank

## **Part II Certification**

### **II.1. Public Health Attestation**

II.1 (b) Keep the statement describing the treatment type that was applied to the product; mark through the other two options.

### **II.2. Animal Health Attestation**

II.2.1.1. Mark through this whole section if the casings are not of bovine, ovine, or caprine origin.

### **Signature Block**

Name- Name of Official Veterinarian in capitals

Date- should match the issue date of FSIS Form 9060-5

Stamp- Apply the rubber USDA export stamp in a color other than black. The certificate number shown on the stamp is the certificate number of the certificate.

Qualification and title- DVM; PHV

Signature- ink signature in a color other than black

## **NOTES**

Enter the certificate number from FSIS Form 9060-5 into Block II.a. at the top of pages 2-3.

This certificate contains blocks that are pre-marked through. While that material must remain marked through, there are additional statements and words that must be marked through prior to certification. Applicable statements shall be kept as appropriate and statements which are not relevant, should be marked through (single line through non-applicable text), initialed and dated by the certifying FSIS veterinarian. Only the additional marked through material should be initialed and dated by the FSIS veterinarian.

In addition to the export stamp in the signature block on page 3, the FSIS veterinarian applies the export stamp in a color other than black to the bottom of pages 1-2. The FSIS veterinarian signs the bottom of pages 1-3 in the space provided.
