I SHOULD HAVE INCLUDED THIS LINK, IN CASE THERE IS ANYONE IN DOUBT ABOUT THE ABUSE THAT GOES ON NOT ONLY IN SLAUGHTER HOUSES, BUT ALSO, UNBELIEVABLY IN DAIRY FACILITIES. PLEASE WATCH THIS VIDEO SO THAT YOU KNOW WHERE YOUR DAIRY COMES FROM; Copy & Paste this web adr:

<http://www.sliceofcruelty.com/> THANK GOODNESS FOR THE ORGANIZATIONS WHO EXPOSE THESE HORRIBLE CRIMES AGAINST GOD'S CREATURES!

I love cheese & ice cream, but now I will buy anything other than dairy products or eggs! I don't think I could stomach another bite.

There are delicious alternatives to dairy - almond milk, which I love, but I have continued to eat cheese and ice cream b/c I love them, but I am going to make myself stop it!!!! There are also alternative to ice cream, albeit, more expensive. However, that is a small price to pay to make sure these kind of crimes are stopped. If we all would think of the animals - the livestock, poultry and dairy industries would go bankrupt!!!, which they deserve!!!!

Subject: New Petition Aims to Create Federal Protections for Poultry - MFA Blog

Dear USDA:

Please consider the Farm Sanctuary and Animal Welfare Institute petition to set the Rules and Regulations for Poultry.

It is my understanding that through the Federal Meat, Poultry and Egg Products Inspection Acts, the USDA inspects and

monitors all meat, poultry and egg products sold in interstate and foreign commerce to ensure compliance with mandatory

U.S. food safety standards and inspection legislation. However, it is not staffed to do all of the inspections necessary

and in addition, due to the abuse of animals is not covered under this Act, the companies who commit these horrible crimes

go unpunished and are not cited/fined. They should be put out of business after the first offense!

I have read so many emails related to violations against chickens and turkeys being abused and tortured that it makes me sick. Please protect these innocent and helpless animals against the cruel nature of some humans in these slaughter factories. The animals have no choice and no voice. You have to speak up for them.

I respectfully submit this request to help these animals by protecting them from abuses.

Sincerely,
Eugenia Mixon
