### LEMONGRASS BASIL CHICKEN FROM THE LAND OF SMILES

Thailand boasts one of the great cuisines of the world justly famous for its complex and intricate flavors. Which may be why it's also known as the "Land of Smiles". You'll smile too when you taste our all natural<sup>SM</sup> roasted white meat chicken simmered in a lemongrass and basil green curry with green peppers and onions. It's the perfect complement to our fragrant basmati rice.

Saffron Road® celebrates the memorable meals and mutual values families and friends of all cultures share around the dinner table. In this tradition, we invite you to enjoy Saffron Road's Certified Halal® meals. We know that great food begins at the farm, so we source our ingredients from only the finest producers available. It's no coincidence that we buy from small family owned farms. All of our chickens are humanely raised\* on 100% vegetarian feed and are never given antibiotics. Our Halal tradition demands their proper care and welfare.
