FSIS Letterhead Certificate for Unprocessed Fresh/Frozen Pork for Cooking at a
Designated New Zealand Establishment

Date Issued: _____ Certificate Number: _____

1. African swine fever, foot and mouth disease, hog cholera, rinderpest, and swine vesicular disease have not occurred in the United States of America during the previous 12 months.
2. The pig meat/pig meat products are derived from animals born, continuously raised and slaughtered in Canada and/or the United States of America.
3. The products were derived from animals that passed veterinary ante-mortem and post mortem inspection at the time of slaughter.
4. The products originate from a government licensed slaughtering establishment that slaughters animals for human consumption and operates under Government Veterinary Supervision.
5. The products are sound and fit for human consumption.
6. After examination of all records and documentation on which the Manufacturer's Declaration is based, and subsequent enquiry, I have no reason to doubt the veracity of the Manufacturer's Declaration
