Safe Handling Instructions

This product was prepared from inspected and passed meat and/or poultry. Some food production may contain bacteria that could cause illness if the product is mishandled or cooked improperly. For your protection, follow these safe handling instructions.

 If reheating, cook to 165°F and consume immediately.

 Keep raw meat and poultry separate from other foods. Wash working surfaces (including cutting boards), utensils, and hands after touching raw meat or poultry.

 Cook thoroughly.

 Keep hot foods hot. Refrigerate leftovers immediately or discard.
