United States Department of Agriculture

The data, and all the information contained herein, have been collected by the U.S. Department of Agriculture, Animal and Plant Health Inspection Service (APHIS) and are protected by Federal law. All information contained within these data are subject to required Federal safeguards and shall only be shared with other Federal agencies and the APHIS authorized personnel. The information may only be shared for purposes that are consistent with the use of information provided by the APHIS. APHIS is required to ensure that anyone that receives the data complies with the Freedom of Information Act (FOIA). APHIS, the Food and Drug Administration (FDA), and the Environmental Protection Agency (EPA) are subject to the Freedom of Information Act (FOIA) and to the provisions of the Privacy Act (5 U.S.C. 552). The APHIS, FOIA, and Privacy Act are described in 43 CFR 3.161, 43 CFR 3.21, and 7 U.S.C. 3301, respectively. The APHIS can only share the information contained in these data with those individuals or organizations directly involved in the inspection of domestic animals and plants. This information may be made available to the public on a need-to-know basis, subject to the provisions of the Government in the Sunshine Act (5 U.S.C. 552b). This data collection, and the information contained herein, include the names and addresses of the property owners. This data collection and the information contained herein is subject to the conditions of use and the Acceptable Use Agreement. If you have any questions concerning the use of this data, you may contact your local APHIS office or APHIS National Animal Health Information Center (NAHIC) at 1-800-252-7070. The information contained in these data has been reviewed and approved by appropriate APHIS officials. This information was handled and distributed in conformance with the requirements of the Freedom of Information Act (FOIA) and the Privacy Act of 1974 (5 U.S.C. 552a; 5 U.S.C. 552a). This data collection and the information contained herein is subject to the conditions of use and the Acceptable Use Agreement. If you have any questions concerning the use of this data, you may contact your local APHIS office or APHIS National Animal Health Information Center (NAHIC) at 1-800-252-7070. The information contained in these data has been reviewed and approved by appropriate APHIS officials. This information was handled and distributed in conformance with the requirements of the Freedom of Information Act (FOIA) and the Privacy Act of 1974 (5 U.S.C. 552a; 5 U.S.C. 552a).
