Thermy™ is the messenger of a national consumer education campaign designed to promote the use of food thermometers, developed by the Food Safety and Inspection Service (FSIS), U.S. Department of Agriculture (USDA).

Food Safety and Inspection Service, USDA

"IT'S SAFE TO BITE WHEN THE TEMPERATURE IS RIGHT!"

The USDA owns the copyright and trademark to Thermy™ art. USDA/FSIS allows and encourages reproduction of the Thermy™ art and materials but only for educational purposes without further permission. Permission for any other reproduction and use of Thermy™ must be granted, depending upon the specific use, by the USDA/FSIS, Food Safety Education Staff, (301) 344-4755.

USDA does not endorse any products, services, or organizations.
