U.S.-Canada Regulatory Cooperation Council Webinar

The U.S.-Canada Regulatory Cooperation Council (RCC) will hold a webinar to update stakeholders on RCC progress on meat equivalence, export certification and nomenclature projects. The webinar is scheduled for Jan. 9, 2014, from 2-4 p.m., ET. Details on joining the webinar can be found at <http://actionplan.gc.ca/en/page/rcc-ccr/how-participate-rcc-webinars>.

The webinar is designed to review progress on implementation of the equivalence, certification, and nomenclature RCC initiatives and seek input on the next phase of regulatory cooperation in these areas.

A copy of the RCC Action Plan, individual sector work plans, including the meat-related projects, as well as other RCC related information is available at www.trade.gov/rcc/.

FSIS and USDA-related questions, comments and concerns relative to the RCC initiatives and the stakeholder webinar can also be addressed to RCC-BtB@one.usda.gov. For those unable to attend the January 9 webinar, comments for FSIS and other USDA agencies may be directed to this same address for review.
