FSIS NOTICE	30-18	05/31/18
--------------------	-------	----------

DISTRIBUTION OF WINDOWS 10 COMPUTERS

This notice informs FSIS employees that effective June 6, 2018, FSIS will discontinue the distribution of new, repaired, or replacement computers with the Windows 7 operating system. Therefore, computers shipped from the Depot location will all have the Windows 10 operating system. The only exception is that computers which support laboratory equipment requirements can continue to have the Windows 7 operating system. Refer questions regarding this notice to the OCIO Asset Manager at: AssetManagement@fsis.usda.gov.
