

**Letterhead Certificate for Raw Frozen Pork Meat¹ (Specified Cuts, Excluding Offal²)
Exported from the United States of America to South Africa for Unrestricted Sale**

Certificate Number: _____ Date Issued: _____

1. The pork meat described hereunder was derived from swine which were:
 - (a) born, reared and slaughtered in the USA or was legally imported from Canada;
 - (b) which come from holdings which are not under official quarantine or restriction;
 - (c) which were not slaughtered in an official disease eradication campaign;
 - (d) were transported in accordance with U.S. State and Federal laws and regulations;
2. The USA is free of Foot and Mouth Disease, African Swine Fever, Swine Vesicular Disease and Classical Swine Fever and the animals from which the meat was derived have not been vaccinated against any of these diseases.
3. The pork meat excludes offal (head, thoracic viscera and abdominal viscera).
4. The meat was subjected to a freezing process that guarantees the destruction of the *Trichinella* larvae in accordance with the Codex guidelines for the control of *Trichinella spp* in meat of Suidae.
5. The pork meat was produced under a hazard analysis and preventive controls system consistent with Meat Safety Act, 2000 (Act 40 of 2000) or pathogen and HACCP programs set forth in United States laws and regulations, which ensure the meat is safe and fit for human consumption.
6. The pork meat was hygienically handled under FSIS inspection and transported in accordance with U.S. State and Federal laws and regulations.
7. The pork meat was not subjected to ionizing irradiation.
8. Frozen pork meat does not contain any material of bovine, equine, ovine or caprine origin.
9. The frozen pork meat in this consignment complies with the following description as per the approved list of products for unrestricted sale from the U.S.

¹ Meat means those portions of any animal which are ordinarily intended for human consumption.

² Offal being head, and thoracic and abdominal viscera
