Date:

To: Certifying FSIS Veterinarian at Poultry Processing Establishments

Subject: CERTIFICATION OF STATE POULTRY HEALTH STATUS

We are hereby informing you of the health status of commercial poultry flocks within the State of _____________________________, as required for the Veterinary Certificate for Poultry Meat Exported to the Russian Federation (FSIS Form 9450-4).

The following diseases have not been clinically diagnosed or officially reported in commercial poultry flocks IN THE LAST 6 MONTHS:

1. Ornithosis (psittacosis)
2. Newcastle Disease (as defined by OIE List A)
3. Infectious Encephalomyelitis
4. *Infectious laryngotracheitis (other than vaccine-induced)
5. *Paramyxovirus infection

*This only excludes production counties and adjacent counties of __________, __________, __________, and __________, in our State. (* PLEASE DO NOT INCLUDE THIS EXTRA SENTENCE WITH COUNTIES IF YOU HAVE NO COUNTIES THAT MUST BE EXCLUDED.)

NOTE: SEE ATTACHED DOCUMENT FOR CERTIFICATION OF STATUS FOR AVIAN INFLUENZA.
